Policy 2018.2 (Final Implementation date: 2.12.18)

Television and Audio Use & Volume Control

The television volume will be set and remain at mute.

Audio equipment and speakers are permissible in the facility so long as the volume does not interfere with the ability of members to talk with one another.

Compliance is a condition of membership and facility use.

* Only the Board of Directors has authority to grant an exception to this policy. An exception requires a board quorum consensus and is only allowed on a case-by-case basis.

Oversight and Compliance: FCFWC staff are required as a condition of employment to comply with and enforce FCFWC policies. Trainers and contractors are required to comply with FCFWC policies and alert clients and class attendees who are in violation. Board members will also provide oversight.
